DESIGN PHILOSOPHY.

FOR FANS OF DYNAMIC

Bold, graphic designs and iconic prints – the BMW M Motorsport collection shines off the racetrack too. Black and white are the base colours, and combined with design elements from the world of BMW M Motorsport, they give the collection its unique look. Flag details and prints of the iconic BMW 3.0 CSL Godspeed are the striking elements of the BMW M Motorsport collection. Made for everyone who adores sport and speed.

Special themes in the collection:

BMW M Motorsport collection with licensee PUMA.

As one of the world's leading sports brands, PUMA is entitled to appear alongside the fastest athletes in the world. The BMW M Motorsport collection celebrates the icons of the racetrack.

Inspired by the racetrack.

A pared-down colour scheme, racetrack design elements and emotive car prints: the perfect combination of dynamism and style. The BMW M Motorsport collection stands out due to its sporty look. It also makes a sustainability statement, with BCI-certified cotton (Better Cotton Initiative) and recycled polyester.

The BMW 3.0 CSL in the Speed Driver Series.

The main design characteristics of the collection are the car prints of the racetrack icon the BMW 3.0 CSL.

This means the Speed Driver Series from BMW M Motorsport confidently brings the heritage of BMW Motorsport into the present.
